*Cost per wash based on an average size car, using EVERSHINE's waterless auto care product directions.

The Opportunity in Detail

Market

- With water restrictions across Australia, an exciting opportunity exists to capture a market that is ripe in its search for an alternative to washing vehicles **without using water**.
- The timing has never been better to take advantage of a relatively new concept - **waterless auto care products**.
- Evershine is Australian owned and manufactured.
- All natural ingredients are used in the production.
- The demand for these waterless auto care products is high, supply is low and the opportunities are endless.

Business / MSI Opportunity

- Sole rights to distribute the complete range of **Evershine Waterless Auto Care products** within a region of 100,000 population.
- Membership to a Distributors' Master Mind Group.
- All distributorships are protected by a signed legal agreement.
- Access to the Evershine Waterless Auto Care website and personalised support.
- **57% profit on all product purchased by customers in your region.**
